Dear Son.

I wish you were home too. We have had nothing but rain since you left. meeting still in progress, Otho and I haven't been a single time

Uncle Bill and Mr. Bushnell came over this P.M, stayed about an hour they were in the Ford. We haven't had the car out since you left, and if this rainy weather does not let up, I fear we will

have to stay at home the rest of the Summer. The Rockwood crowd is going to White Cliff Labor day. Will you be home by then. Hurrah and vote for Suffrage and don't keep them in doubt. I noticed Chandlers speech it was very little so I've been waiting to see how you stood but have not seen any thing yet.

Mrs Brumley (the mill man) bought the Charlie Watson badger house Uncle Ben the farm. I do not know the prices they paid you know "dark" does not like to be interrogated

Do not know whether it was a successful sale or not. I only know it was raining. Mr Waterbarger's little boy got his arm broken that day.

Everything is getting in readiness for the Wedding. Mintie was real sick yesterday but was better this morning. I am uneasy about her & she has been complaining all summer. talked to Sadie Yesterday. She expresses her regrets about you not going to be here. We are invited down to the Home after the Wedding. They are sending cards only to friends away.

you will tire of what I am writing, but I havn't any thing else to write about.

Jack went to Athens on monday after you left, said your majority was 640 pretty good for a fellow that had made a "dog" and "Road" law.

But I do hope you are still in the notion of not making the race this fall, I hope you see enough of Politicians to know it is not one of the greatest things to be one, What say Ye? ??

Give my regards to
Mrs Griffith, and tell
him I have no fears
about you now, for I
think you are in
safe hands. Am glad
you like the change
I should think it
would be quieter, and
you could study better.
Or are you doing any
serious thinking? I
shot every day last
week I did nothing but
but just kept putting
it off. We are all as
usual. Otho is beginning

to fix for school. She wants you here to go with her.

Write mother every time you have a chance, for I am always looking for a letter when you are away. Don't forget to be a good boy, and help Mrs "Thomas Catt" with her "Rats"

Is she the one that put rat in ratification

Ha' no more from mama This time with lots of love mama.

(Over)

Harry, If you have an opportunity, get me the music, for me "Humoresque".
